THE TEST OF MERIT

Barre People Are Given Convincing Proof.

No better test of any article can be made than the test of time, and this is particularly true of a kidney medicine. Doan's Kidney Pills have stood this test and stood it well. What better proof of the merits of this remedy could you demand, than the statement of a Barre resident who has been cured and has stayed cured?

Read the following:
Mrs. Annie Gibb, 31 Brooklyn street, Barre, Vt., says: "I am just as strong in my praise of Doan's Kidney Pills today as when I publicly recommended them several years ago. They cured me at that time and I am glad to say there has been no return of my old trouble. For over a year I had more or less backache, it being the result of disordered kidneys. If I brought any strain on the muscles of my back, sharp pains seized me, and I also suffered at times from headaches and dizzy spells. When I overworked or caught cold, my suffering was always more intense. I read a great deal about Doan's Kidney Pills and deciding to try them, procured a box at E. A. Brown's drug store. Before I had finished the contents, the pains in my back were relieved and I felt better in every way. I have the best reasons for speaking in favor of Doan's Kidney Pills and I am perfectly willing to recommend them in this way."

For sale by all dealers. Price 50 cents. Foster-McMillan Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

HAD SCRATCHED FOR 28 YEARS

Till It Got to be Second Nature—
Suffering Endless and Without
Relief—Cuticura Made Skin
as Clear as a Baby's.

"If I had known of the Cuticura Remedies fifty years ago it would have saved me two hundred dollars and an immense amount of suffering. My disease (psoriasis) commenced on my head in a spot not larger than a cent. It spread rapidly over my body and got under my nails. The scales would drop off me all the time and my suffering was endless and without relief. A thousand dollars would not tempt me to have this disease over again. I am a poor man but feel rich to be free of what some of the doctors called leprosy, some ringworm, psoriasis, etc. I took—and sarsaparilla over a year and a half but got no cure. I cannot praise the Cuticura Remedies too much. They made my skin as clear and free from scales as a baby's. All I used of them was two cakes of Cuticura Soap, three boxes of Cuticura Ointment and three bottles of Cuticura Resolvent. If you had been there and said you would have cured me for two hundred dollars, you would have had the money. I was covered with the scales but by using Cuticura I was soon as clear as any person ever was. This was over twenty-two years ago and for a long time, through force of habit, I used to rub my hands over my arms and legs to scratch, but to no purpose—I was well. I had scratched twenty-eight years and it got to be a kind of second nature to me. Dennis Downing, Waterbury, Vt., November 27, 1909."

Cuticura is the most economical treatment for afflictions of the skin and scalp. A cake of Cuticura Soap and a box of Cuticura Ointment are often sufficient. Sold throughout the world. GIRL FIGHTS OFF BURGLAR.

Miss Mary Baldwin of Chester Armed Herself With a Chair.

Chester, Nov. 5.—The daring of Miss Mary Baldwin, daughter of Malcomb Baldwin, an insurance agent here, prevented a robber from getting off with his booty Thursday night, a little after six o'clock. Mr. Baldwin has his office in his home and the daughter heard some one coming out of the room so used, and went to see who it was.

She saw a man carrying away a typewriter and she at once made an attack upon him, striking him across the face with her hand. He dropped the machine and tried to grasp the girl by the throat, but she had by that time seized a chair and struck the burglar across the head with it. He reeled from the house and getting into a team that stood ready, was driven rapidly away. The police are without any clue.
